

Meet Our Dreamers...

Sarah, a young mother battling cancer, and a former resident at QLS-Sarver, longed for one more day at the Pittsburgh Zoo with her two young daughters. This day brought so much joy and happy tears to everyone involved. Sarah's dream inspired her to keep fighting and to get stronger so that she could get back home to care for her girls!

Rich and Mikey are buddies that both reside at QLS-Sarver and love to watch racing together. Rich played a big part in bringing this dream to fruition for Mikey who dreamt of seeing a race car up close. DSD did one better and took them both to Lernerville Speedway where they were gifted team swag by Bova Racing.

Mikey even made it down to the race track where he was given the opportunity to award the winning driver his trophy!

Iris is a resident at QLS-New Castle and a U.S. Army Veteran. She hadn't seen her son, Edward, in over two years and was missing him terribly. DSD arranged for Edward to fly in from Texas to surprise his mother! And SURPRISED she was!

Curtis resides at QLS-Henry Clay and suffers from Cerebral Palsy. He is a huge WWE wrestling fan and dreamed of going to PPG Paints Arena for a Friday Night Smackdown with his father! Curtis had never been to an event of this magnitude!
